**Automatic/Manual Online Payments Will Make Your Life Easier!** It's convenient and will help save you time and postage.

**You have 2 choices: Automatic Payments or Manual Payments.**

### Here's How "Automatic Payments" Work:

By selecting the "Automatic Payments" option below, you authorize HAWL to make monthly charges to your checking or savings account on one of the dates you choose (see optional dates below). You will be charged the total amount due in your HAWL account as of your last statement. You will receive no notification prior to the payment being collected since you have chosen the withdrawal date. By selecting this option, HAWL will assign a password to you. Using this password, you can simply sign in to HAWL's website ([www.hawlms.com](http://www.hawlms.com)) and click on the "Customer Account Center" to see the status of your account. Additionally, you have the option to submit additional payments to your account before receiving your bill. Once you have used the HAWL password, you will be able to replace it with a password of your choosing.

### Here's How "Manual Payments" Work:

By selecting the "Manual Payments" option, HAWL will assign a password to you. Using this password, you can simply sign in to HAWL's website ([www.hawlms.com](http://www.hawlms.com)) and click on the "Customer Account Center" to see your amount due and submit payment for your account. During the month, the payment can be made on any date of your choosing prior to the 25<sup>th</sup>. Once you have used the HAWL password, you will be able to replace it with a password of your choosing.

\*Please note, automatic/manual payments will appear on your bank statement as an "ACH Debit."
