- Placement of Automatic Tag - Tag is to be placed on **inside top passenger side of windshield (opposite side of decal)**. HAWL decal is to be placed on the **inside driver side of windshield above state inspection sticker**. REMOVE ALL OTHER EXPIRED HAWL DECALS.
- Outside lane will be closed nightly from 10 pm - 6 am. Tag holders must use inside lane during this time. Guard will allow tags holders in manually during this time only.
- Property owners and residents who have an automatic tag with decal must be a member in good standing with the club for the tag to stay activated. The automatic tag can be deactivated for outstanding issues. Those violators will have to use the visitor lane.
