

HIDE-A-WAY LAKE CLUB, INC.
NON-MOTOR POWERED BOAT REGISTRATION

LOT # _____ Property Owner Name (please print): _____

I, property owner of the above referenced lot, agree that the boat listed here within this registration and all appurtenance meet all requirements and provisions of the Mississippi Boating Act of 1960, an amended (Sec. 8496-01-8596-30, MS Code 1942 annotated).

By the execution of this registration, I assume full financial responsibility for any and all damages or injury resulting from the operation of the above described boat while within Hide-A-Way Lake Community.

I have read and agree to abide by the boat rules and regulations and agree to pay any and all administrative fees for breaking such rules and regulations.

I understand the one time cost for registering a manual powered vessel (paddle boats, rafts, canoes, kayaks, etc.) is \$5.00. The number assigned is a permanent number that will be good for this particular boat as long as it remains in HAWL. I further understand the cost for registering all other boats is \$15.00 and that the boat must be registered every year and that a new decal number will be issued to me.

Excluding manual powered vessels, I understand that a minimum of \$100,000 liability insurance is now required for all boats which are registered for use on the lake. A copy of this insurance must be provided to the Office.

I understand that the decal should be placed in a visible location on both sides of the boat. I further understand that boats without a current boat decal displayed are prohibited from utilizing the lake or other boating facilities.
