

I agree that due to the vehicular safety concerns of this neighborhood, parking of my service equipment must be on my customers' driveway or property. Temporary parking in the roadway may only be done when other parking is not available. On those occasions, my vehicle will then be parked in accordance with the HAWL Rules and Regulations by placing bright orange cones no less than 20 feet from the location in front and rear of the vehicle to alert other drivers. I understand that this must NEVER be done in a curve or within 100 feet of an intersection. If I do not abide by these rules, I understand that a citation will be written and a fine levied against me.

I agree to maintain Vehicle Liability Insurance as required by the State of Mississippi on any motor vehicle being driven on the Streets of Hide-A-Way Lake for the duration of this authorized access with a copy of said insurance being provided to the HAWL Office as well as any required professional license and/or insurance. I further agree to provide Hide-A-Way Lake with a copy of my driver's license and will notify Hide-A-Way Lake in the event of any change(s) in any of these documents.

I further understand that this Authorized Access, as defined herein, is for a period of **six months**, which is non-refundable, either in whole or in part.

I certify that I have read and understand the provisions set forth herein and agree to abide by them.

Please note: The HAWL office must update this Access Application in the computer system before entry will be allowed. This will be completed by the close of business on the next business day.
