

# HIDE-A-WAY LAKE CLUB, INC.

## UPDATE FORM FOR MEMBERSHIP AND ALERT SYSTEM

Hide-A-Way Lake is excited to announce our new alert system for the community called **IRIS (Immediate Response Information System)**. This system will send a voice message, text, and email simultaneously to homeowners in HAWL. At this time, we will only utilize this system in the event to communicate an urgent/emergency message. Our normal email system will continue to be used for routine business.

### Telephone Numbers

All homeowners' telephone numbers we currently have on file will automatically be enrolled with this system. Any new information submitted on this form will automatically replace the information currently on file with the HAWL Office and Front Main Gate. **This includes registered phone numbers used to call in guests. A maximum of five telephone numbers may be listed.** The alert will come from one of the following phone numbers: 281-207-4891, 281-207-4892, 281-207-4893, and 888-210-0091. Please program these numbers into your phone to quickly receive these alerts.
