

2022 Scholarship Recipients

The Scholarship Foundation for Hide-A-Way Lake Students, in its third year of operation, is proud to announce the graduating seniors and winners of \$3,000 scholarships for the 2022 class. The presentation was held at the Hide-A-Way Lake Lodge on June 8, 2022. The winners are:

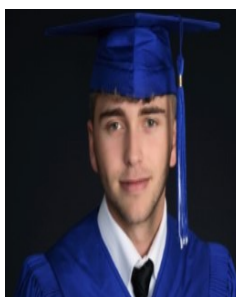

Kathryn Ava Adams – Kathryn is graduating from Pearl River High School with an amazing 4.00 GPA while combining two years of classwork, her junior and senior years, so that she will graduate in only three years. While in school she was elected to the National Honor Society, played varsity soccer, and was on the swim team. Her off-campus volunteer activities in the community and at First Baptist Church are too numerous to count. She is a recognized leader by her peers with election to and now president of GWFC- MFWC Juniette Diamonds. She has been accepted and will be attending Pearl River Community College this fall.

Kaylie Poe – Kaylie is another graduating senior with a long list of accomplishments while at Pearl River Central High School. Academically she has attained a cumulative GPA of 91.08. Her abilities have been recognized by both the National Honor Society and National Technical Society. During her summers all the way back to 7th grade, she has volunteered at the First Baptist Church's Vacation Bible School. She is seen as an excellent servant and example to others by church officials. This summer she will be helping to paint classrooms at the Presbyterian Church of Picayune. Pearl River Community College has accepted her for studies in the Fall of 2022.

Elise Stricker – While attending Dominican High School in New Orleans, Elise has not only completed her coursework there with a 4.6 GPA, but also has accumulated a semester's worth of college courses. She will be attending Southern Methodist University with a plan to become a Mechanical Engineer upon graduation. While in school she was elected to the National Honor Society, National English Honor Society, and MU Alpha Theta – the National Mathematics Honor Society. She is very active in her church's CYO, Pro Life Club, and as a Eucharistic Minister. Her summers are filled at Camp Abby as a camp counselor, math tutor, lifeguard, and teacher's assistant at VBS.

Ashton Tullier – Moving to Hide-A-Way Lake has had a profound effect on Ashton. He is a fine student with an 86.74 GPA. What is so outstanding about Ashton is his willingness to help others without recognition or reward. He has been directly involved with a man who was disabled by a fall last year and has helped him in all aspects of his daily life. He has had to work at a variety of jobs to help his family. One that he enjoyed was with a land development company. That experience has him enrolled at Pearl River Community College in the fall with a goal of becoming a Civil Engineer.

The Foundation's first two scholarship recipients are now out in the workforce after completing classes at Pearl River Community College . Three of last year's recipients, Hailey Muehe, Collen Blake Penton, and Courtenay Sebastian are also receiving \$2,000 this year for use for this fall's semester.

The Scholarship Foundation for Hide-A-Way Lake Students uses two main events and the generosity of sponsors to fund scholarships. This fall it has scheduled on October 1, 2022, it's fourth White Linen Night around the Hide-A-Way Lake pool. It will be a "Starry Night". Included in the ticket or sponsorship are several local restaurant tastings and refreshments along with a fabulous silent auction. If you are a golfer, the Foundation's 2023 spring event will be a golf tournament in New Orleans . Both events are open to the public.

If you are interested in attending or sponsoring either event, please contact Beth Ennis at 601-347-6666.
