

HIDE-A-WAY LAKE CLUB, INC. BOAT DECAL REGISTRATION MANUAL POWERED

(paddle boats, rafts, canoes, kayaks, boats with trolling motors, etc.)

LOT # _____ Property Owner Name (please print): _____

I, property owner of the above referenced lot, agree that the boat listed here within this registration and all appurtenance meet all requirements and provisions of the Mississippi Boating Act of 1960, and amended (Sec. 8496-01-8596-30, MS Code 1942 annotated).

By the execution of this registration, I assume full financial responsibility for any and all damages or injury resulting from the operation of the above described boat while within Hide-A-Way Lake Community.

I have read and agree to abide by the boat rules and regulations and agree to pay any and all administrative fees for breaking such rules and regulations.

I understand the one time cost for registering a manual powered vessel (paddle boats, rafts, canoes, kayaks, boats with trolling motors, etc.) is \$5.00.

The assigned number will be valid for the life of the boat and does not need to be repurchased each year.

Property owners are responsible for displaying the assigned number issued from the HAWL Office onto the appropriate watercraft. The assigned number must be:

1. A color which contrasts with the boat so that the number can be easily seen on the boat.
2. A minimum of 4" in height.
3. Properly displayed on both sides of the boat and visible when the boat is in the water.

I understand that the decal should be placed in a visible location on both sides of the boat. I further understand that boats without a current boat decal displayed are prohibited from utilizing the lake or other boating facilities.
