

Hide-A-Way Lake Echoes

----- January 2024 -----

Merry Christmas and Happy New Year
from Hide-A-Way Lake!

Fireworks Rules

Any property owner using fireworks must abide by the following rules:

1. The use of fireworks is permissible only on December 31st and January 1st.
2. Due to the potential of fire, the shooting of fireworks commonly referred to as "bottle" or "sky" rockets or similar projectiles that are mounted on a base that resembles a stick or rod is prohibited.

Ring in the New Year with Waters Edge!

Waters Edge is hosting a New Year's Eve dinner on Sunday, December 31, 2023, from 4:30 pm - 7:00 pm.

The menu for the night will include: Prime rib roasted to perfection, soup, salad, potato casserole, a vegetable, dessert, and a beverage.

The cost for dinner is **\$25.99 per person**.

Reservations are required by Wednesday, December 27, 2023, and can be made by calling the HAWL Office.

New Year's Eve Party

The HAWL Social Committee will be hosting a New Year's Eve Party on Sunday, December 31, 2023. Doors open: 8:30 pm; Party: 9:00 pm - 12:30 am.

DJ entertainment will be provided by the Blue Phoenix. The cost to attend is \$15 per person which includes set-ups, light snacks, and a photo booth.

Keep in mind that this event is for adults only.

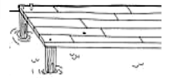

Call the HAWL Office to make reservations.

Plan Ahead for Lake Lowering

Lake lowering will begin on Friday, December 29, 2023. A HAWL building permit is required for any new docks, boat shelters, bulkheads, boat slips, or structural changes to an existing dock or bulkhead.

Permits are valid for six months. The valve will be closed after the dam is inspected by our engineer. The lake will only be lowered 2 1/2 feet at the dam.

Christmas Trees Needed for Fish Habitats

After Christmas, the Lake Quality Committee will be collecting live Christmas trees to be used as fish habitats in the lake. Simply leave your bare tree by the edge of the roadway after the holidays, and Lake Quality will collect it. Please ensure you

remove ALL decorations including tinsel, lights, ornaments, etc. Only natural trees (non-flocked) may be utilized.

Valentine's Day Dinner

On Wednesday, February 14, 2024, Waters Edge will host a Valentine's Day Dinner from 5:00 pm - 8:00 pm. Be sure to surprise your valentine with an evening of delicious food and LIVE MUSIC by David Delcambre!

The menu will include: Choice of prime rib or grilled salmon served with potato casserole, the vegetable of the day, soup, salad, and dessert.

The cost of the meal is \$25.99 per person. Reservations are required and should be made by February 9, 2024, by calling the HAWL Office at 601-798-1484.

The next Board Meeting will be held on Thursday, February 15, 2024, at 6:30 pm in the lower level of the Lodge.

"Deck the Door" Christmas Contest Winners

Congratulations to the 2023 "Deck the Door" Christmas Contest Winners! 1st place and a \$75 gift certificate to Waters Edge were awarded to The Wilson Family (803 Hide-A-Way Ln.).

2nd place and a \$50 gift certificate to Waters Edge were awarded to The Reynon Family (1714 E. Lakeshore Dr.). 3rd place and a \$25 gift certificate to Waters Edge were awarded to The Hughes Family (104 West Side Cr.).

While only doors were judged, many families featured impressive displays on the front of their homes.

Thank You to Our Social Committee

It takes an entire community to bring the spirit of Christmas to Hide-A-Way Lake. A special "Thank You!" is given to the HAWL Social Committee for beautifully decorating the Lodge and the Front Main Entrance as well as providing the children with the experience of seeing Santa. There are not enough words to express the gratitude and appreciation to the many volunteers that donate their time and talents to bring the magic of Christmas to the Lodge. Santa's visit to HAWL would not have been possible without the many local elves that decorated the Lodge and took care of his reindeer.

ECHOES is published monthly and distributed to Hide-A-Way Lake Property Owners. The Publication is authorized by the Board of Directors of Hide-A-Way Lake Club, Inc. Business dealings with businesses advertised in the *Echoes* Newsletter are solely between you and such advertiser. HAWL shall not be responsible or liable for any loss or damage of any sort incurred as the result of any such dealings.

VSS Security Monthly Recap

RULE VIOLATIONS Month: November 2023

Traffic Violations	44
Animal Nuisance	5
Property	4
Incident Reports.....	53
Total Location Scans/Vacation Scans.....	1412

Fines for citations are based upon the type of offense, such as rate of speed as well as the number of times the specific offense has occurred within a two year time period for the particular offender. Citations are not reported to insurance companies unless the offense is deemed significant enough, such as property damage or bodily injury.

Hosting a Holiday Party?

Having a party for the holidays? Please be mindful of your neighbors in regards to both parking and noise. Pay attention to excessive vehicle parking in the easements as this can create unsafe conditions for drivers and pedestrians. Also be sure to not let the noise get too loud. Per Covenant 51 b. 1. "Loud or boisterous conduct including operation of loud motor bikes, outboard motors, vehicles, boom-boxes, etc., on any property which disturbs the peace of adjoining Lot Owners" is prohibited.

Gate Entrance/Exit for the Holidays

With the holiday season being a busy time for the Front Main Gate, please **ensure that all guests are pre-registered with the gate before they arrive.** Use the app or the web portal for Gate Sentry to input your visitors into the system BEFORE they arrive at the gate. Please only use the phone call option when the app or web portal is not available to you. Phone calls must be from a phone number registered through the HAWL Office. When calling, only a maximum of two guests may be registered. Calls may only be taken 48 hours in advance. Guest Registration Forms must be used when registering three or more guests. These forms are available on the HAWL website and at the Front Main Gate and the HAWL Office. By not using the app or web portal, the gate becomes very busy and it delays dispatching urgent calls for patrol assistance to owners and causes gate entry delays.

STOP Roadway Safety

Property Owners, please remind your residents and guests to choose safety over speed by abiding by the 25 mile-per-hour speed limit and coming to a full stop at all stop signs as both are enforced. 0361

Architectural Monthly Recap

Information as of December 19, 2023

Total homes in HAWL: 978

Active Building Permits.....	26
Covenant Violations	17

Nothing shall be erected on any lot without an approved building permit in writing by the HAWL Office.

ALL permit applications must have the following:

- Site/plot plan showing all existing and requested improvements
- Set of building plans to code
- Specification of materials

Permit requests are reviewed by the Architectural Committee on the 2nd and 4th Thursday of each month. Please ensure that all permit application requests are completed with all supporting documents attached the Monday before the scheduled meeting by noon.

Issue With Your Sewer System?

Should an issue arise with your sewer system (such as your sewer alarm sounding), contact the PRCUA (601-799-5259 or 228-205-4101 for after hours emergencies). The PRCUA would like to remind residents they are on-call 24/7 to resolve grinder pump issues. It is important to notify the PRCUA as quickly as possible when your system goes in alarm mode to prevent overflows, restore service, and minimize the chance of destroying a locked pump. This number should be called prior to contacting a plumber since most issues can be handled by the PRCUA at no cost to the property owner. The number is in service 24 hours a day/7 days a week.

Please understand: Flushable wipes are not flushable and will damage the system.

Dumping Items on Lots

Not only is it against HAWL's covenants, but dumping items such as limbs, debris, trash, etc. on lots belonging to others is not neighborly. All items for disposal must either be placed in one of the four allotted trash carts for collection or taken to the dump in Millard. The dump may be contacted during business hours at 601-795-2500.

39. b. That any soil and/or building materials (such as top soil, fill dirt, gravel, sand, trash, etc.) are not deposited onto any other Lot Owners property or onto Club property (including drainage ditches) by rain, winds, or any other means, deliberate or accidental.

54. ...No garbage or refuse shall be dumped, stored, or accumulated on any Lot or be thrown on any Lot or roadway or common area or into the Lake.

Merry Christmas and Happy New Year! 2023 was another great year for our/your community and I will continue to pray that we keep it rolling in 2024. Words cannot express how thankful I am for working for this great, large-scale community and I am so thankful for the many volunteers, Board of Directors, and property owners that come in to discuss the community with me as well as attend various meetings and community events. Active participation is how and why this community will continue to be great place to live. We had our challenges in 2023, but with your help and dedication, we were able to take care of the business side of this community. I am looking forward to continuing to work together for the betterment of this great, large-scale private community that celebrated 55 years this year by working together. I sincerely thank you; I am truly grateful. Below is a recap of the hot topics and projects currently in works.

Annually over operation fee is reviewed and adjusted if the Social Security COLA (Cost Of Living Adjustment). This is a proven way to always fight and not lose against inflation, which we all know has been increasing. This year's increase will be 3.2% (\$2.92 increase per month) which begins with the statement due January 25, 2024.

The lake valves will be opened on Friday, December 29, 2023, to begin the process of lowering the lake for our dam/spillway inspection in mid-January by our engineers Shows, Dearman, and Waits. After the inspection is complete, the valves will be closed. As always, the timeframe for lake lowering and bringing the water level back to the appropriate level will depend on rainfall. If you are planning to perform any repairs on your docks or bulkheads, please act quickly during this time.

As mentioned previously, VIF, LLC. started last month on completing the Lodge bulkhead as well as redoing and adding docks. The plan this month is to finish up at the West Marina by replacing the older dock section and adding a bulkhead in this area. Improvements in these areas were needed. Please go check out both areas; they look great.

This month the HAWL Maintenance Department will be changing out 65 water meters, water boxes, and valves that are over 20 years old.

Also, this month bids will be opened for two new maintenance vehicles to replace the 2003 dump truck and the 2009 Ford F-150. It is time for both vehicles to be upgraded as it is becoming too costly to keep repairing them. I will advise you of the outcome of the bid process.

Pool season is a few months away, but last month our pool pump motor did burn up. The motor was replaced and a second motor was purchased to keep on hand as a backup for redundancy. The pool cannot operate or be open without a functioning pump. We were lucky as it was only December, but now a backup motor will be ready if this occurs in the future. The total capital purchase from Demco Motors was \$4,364.08.

Over the last month, security company bid proposal requests were sent out and we received proposals from three different companies: Allied Universal Security Services, Pinnacle Security, and Professional Security Corporation. Veteran Security Service's hourly budgeted rate for this fiscal year was \$16.40 per hour, but they requested to increase that rate \$20.40 per hour. Professional Security Corporation's rate is \$18.91 per hour. Please realize that this rate pays for vehicles, insurance, supplies, wages, taxes, training, etc. We will continue to pay for fuel for the onsite security vehicles as part of this three year contract, which annually will receive a 4% increase. Some of the same guards have been hired by PSC, which we are thankful for. PSC offers better pay rates and we will have an onsite supervisor to assist and support the guards with training.

Effective Thursday, December 21, 2023, our community changed our security contract company from Veteran Security Service (VSS) to Professional Security Corporation (PSC). The reason for this change was due to VSS having difficulty over the last year complying with their contractual obligations. PSC was previously our security company for over 25 years and they are very knowledgeable of our community and that knowledge is of great value to us. Please join us as we welcome this company as we partner together on this vital amenity for our community.

My door is always open to you and I encourage your suggestions and/or concerns regarding the future of the community. Community members working together is essential to protect, maintain, enhance, and preserve not only the community but your home as well. It is in my daily prayers that everyone is healthy and working together.

The Southgate Trial Period to evaluate the best operational hours for the community was performed from October 2, 2023, to December 6, 2023, which was our plan that was communicated to be in the range of 60 to 90 days. The numbers showed that this is a “working person gate” and I am so thankful to the many property owners for their comments and suggestions to help finalize these hours. Another apparent area was how the improvements to Highway 11 and Highland Parkway have improved the traffic than in evaluations over the previous years.

The new hours went into effect on December 18, 2023, and are Monday – Friday, 5:00 am – 9:30 am and 2:00 pm – 8:30 pm. When using Cooper Rd., observe the posted speed limits as they change between 20 mph and 40 mph and please be courteous to our neighbors. These times are for exit and entry; however, only vehicles with a valid HAWL decal will be allowed entry, after the gate verifies.

HAWL Car Decals

The decal and automatic tag are a numbered set and both the tag and decal must be displayed on the vehicle to which they are registered. The decal set is the property of HAWL Club, Inc. and is nontransferable for any reason. Hide-A-Way Lake is authorized to verify any information submitted and if any false statement is made or if the tag is placed on any vehicle other than the registered vehicle, the Property Owner will lose the automatic gate privilege to enter the community and will pay an administrative fine.

No Longer Own a Vehicle?

When selling or trading vehicles please be sure to remove your HAWL vehicle decals and inform the HAWL Office. It is the Property Owner’s responsibility to remove both the HAWL decal and the automatic tag when a car decal is replaced or when the vehicle is sold or no longer in the Property Owner’s possession. This will help keep your information current as well as minimize delays at the Front Gate.
