Handicap Parking at the Lodge

The HAWL Lodge offers six handicap parking spaces located at the Lodge Lower Level. To access these spaces, simply take the road near the tennis courts. If special assistance is needed, call the HAWL Office (601-798-1484) before arriving and an Office staff member will meet you in the parking lot.

For Your Convenience

There is a locked payment box located in the inside lane at the main Guard House when you exit the community and at the Lodge in front of the Restaurant. This is a great way to save money on postage and to drop off correspondence for the Office without leaving your vehicle.

Restaurant News

Waters Edge Restaurant will **close January 1, 2026**, and will **reopen** for business on **January 22, 2026**.

The Waters Edge staff looks forward to serving you along with your family and friends in the new year.

*This excludes any special events.

Keep HAWL Family Friendly

If you see any actions that do not promote a family friendly environment such as foul/obscene language, glass containers, pets at the Lodge area, littering, etc., contact Security (601-798-1247) as the incident is taking place with as much information as possible. Please remember that you can make a difference and with your help, we can continue to keep HAWL a safe, beautiful, and family friendly community.

Thank You to Our Social Committee

It takes an entire community to bring the spirit of Christmas to Hide-A-Way Lake. A special "Thank You!" is given to the HAWL Social Committee for beautifully decorating the Lodge and providing the children with the experience of seeing Santa. There are not enough words to express the gratitude and appreciation to the many volunteers that donate their time and talents to bring the magic of Christmas to the Lodge. Santa's visit to HAWL would not have been possible without the many local elves that decorated the Lodge and took care of his reindeer.

Happy New Year 2026! 2025 was another great year and I pray that 2026 will be even better. I hope that everyone has a very Merry Christmas. I will continue to pray for our community and that 2026 continues with normal operations and that we continue to work together to protect, maintain, enhance, and persevere and to also remember that good neighbors make great neighborhoods and communities. We have lots going on. Below is a recap of upcoming and existing projects and hot topics.

The 2024/2025 Fiscal Year ended on September 30, 2025. Angela Hertzog of Grantham Poole Certified Public Accountants is performing our review/audit of all financial reporting for the entire fiscal year for the total cost of \$19,000.00. Once everything is completed, the final report will be available in the HAWL Office and on the HAWL website for review. This is planned to be completed in February.

Our big project for the year, "Repaving Roads 2026", was completed early. Contractor Huey Stockstill, LLC began mid November repaving two miles of roads. The total cost of this capital improvement was \$503,091.27, which will be paid in March 2026. This payment schedule was arranged with Huey Stockstill, LLC since our timeline for work was originally March, but the contractor had availability sooner and wanted to be finished before Christmas. The following locations were completed:

HAWL Bridge to Hide-A-Way Ln.	Rabbit Hill
100 W. Lakeshore Dr. to 510 W. Lakeshore Dr.	W. Lakeshore Dr. from Rabbit Hill Ln. to Back Spillway
Flare of Brookhollow Dr. to W. Lakeshore Dr.	Flare of Millbrook Ln. to W. Lakeshore Dr.
Flare of Big Pine Ln. to W. Lakeshore Dr.	Flare of Mockingbird Ln.
211 Hide-A-Way Ln. to 305 Hide-A-Way Ln.	E. Lakeshore Dr. from Edgewood Dr. to Peninsula Dr.

Road striping followed the road paving project. Contractor Laneline, LLC. was awarded this project and was able to adjust their timeline to accommodate our project due to paving being completed early. All new main roads were striped and the major curve on East Lakeshore Drive by the Lodge was redone as well as the yellow line for the lower level to the Lodge. The total capital improvement cost was \$21,723.00.

A replacement 3" trash pump and additional Dewalt 20v power tools were purchased for our water system maintenance. The total capital improvement cost was \$2,707.10 from Consolidated Pipe & Supply and Home Depot.

Last month we began cutting in trails on the west side of the back 120 acres. Over the next few months, we will start a trail on the east side of the back roads. Please understand these trails are a long term project. When using this new amenity, always walk with someone and be careful as this is newly cleared and the ground is in a natural state. This area is too beautiful to not bring a friend along. We will keep you posted once everything is ready for your enjoyment.

I would like to thank all of the property owners that have come to show support and obtain correct information about your community by attending periodic Community Meet and Greet with the General Manager meetings as well as monthly Board Meetings. These meetings are the perfect opportunity to have a conversation regarding community information directly from the General Manager and Board of Directors as well as to get to know each other. Topics to be addressed depend on the questions brought forward from Property Owners. In addition to these meetings, my door is always open to you. Please call the HAWL Office to set up a meeting to discuss any concerns you may have. I encourage your suggestions and/or concerns regarding the improvement of the community. Community members working together is essential to protect, maintain, enhance, and preserve not only the community but your home as well.

The Board of Directors Invites You to Participate in Concern Time

Concern time is held after every Board Meeting for Property Owners, who are in good standing, to address their concerns with the Board of Directors.

Guidelines:

1. Fill out a Concern Time Form and turn it into the Board President.
2. Condense your concern to a time of 2 - 3 minutes.
3. Request Closed Concern Time with the Board if more than 2 - 3 minutes is needed to address your concern.

The Board of Directors will discuss all concerns at the next scheduled Board of Directors Work Session and will follow up with the Property Owner who brought the concern forward.

Follow the link on hawllms.com to stay in the loop about upcoming activities and restaurant specials. HAWL encourages you to share these events so more residents can participate. If you have an issue, contact the HAWL Office at 601-798-1484 as concerns will not be addressed on Social Media.

Host Your Upcoming Event at Waters Edge

Waters Edge is the perfect venue to hold your upcoming event. Whether you're hosting a large company party or a more intimate dinner party, our reputation for friendly, professional service is second to none. Offering a variety of packages and rooms for events large and small, there is definitely something to suit your needs. Waters Edge can comfortably accommodate up to 200 guests and even features a covered outdoor deck with beautiful lake views. Ask about how Restaurant Manager Keith Crawford and his staff can help you create lasting memories.

For more information, call the HAWL Office at 601-798-1484 or view the Event Brochure online at hawlms.com.

Find Your Account Number

Each month three lot numbers are hidden in *Echoes*. The numbers may be featured in numerical or word format and will not appear in phone numbers, addresses, dollar amounts, times, or ads. Be sure to look carefully as numbers can be tricky to find! Locate your lot number and call the Office at 601-798-1484 to claim your prize!

Your Ad Here

Advertising in the HAWL monthly newsletter is a great way to spread the word about your business or items for sale. Not only is *Echoes* a great way to reach the entire community of HAWL, but it is also inexpensive! If interested in advertising in the *Echoes*, you may pick up a form in the HAWL Office or print a form from the HAWL website (www.hawlms.com). This form must be signed by a HAWL Property Owner.

Keep HAWL Beautiful

In order to keep Hide-A-Way Lake beautiful, all residents need to work together to prevent and dispose of litter, in hopes that it will help the problem eventually disappear from our community. Thank you to the many property owners who help keep the community beautiful by picking up litter.

Architectural Monthly Recap Information as of December 19, 2025

Active Building Permits..... 32

Covenant Violations 18

Nothing shall be erected on any lot without an approved building permit in writing by the HAWL Office.

ALL permit applications must have the following:

- Site/plot plan showing all existing and requested improvements
- Set of building plans to code
- Specification of materials

Permit requests are reviewed by the Architectural Committee on the 2nd and 4th Thursday of each month. **Please ensure that all permit application requests are completed with all supporting documents attached the Monday before the scheduled meeting by noon.**

Issue With Your Sewer System?

Should an issue arise with your sewer system (such as your sewer alarm sounding), contact the PRCUA (**601-799-5259** or **228-205-4101** for after hours emergencies). The PRCUA would like to remind residents they are on-call 24/7 to resolve grinder pump issues. It is important to notify the PRCUA as quickly as possible. The number is in service 24 hours a day/7 days a week.

Dumping Items on Lots

Not only is it against HAWL's covenants, but dumping items such as limbs, debris, trash, etc. on lots belonging to others is not neighborly. All items for disposal must either be placed in one of the four allotted trash carts for collection or taken to the dump in Millard. The dump may be contacted during business hours at 601-795-2500.

39. b. That any soil and/or building materials (such as top soil, fill dirt, gravel, sand, trash, etc.) are not deposited onto any other Lot Owners property or onto Club property (including drainage ditches) by rain, winds, or any other means, deliberate or accidental.
54. ...No garbage or refuse shall be dumped, stored, or accumulated on any Lot or be thrown on any Lot or roadway or common area or into the Lake.

Vehicle Maintenance

52. No stripped down, unsightly, disabled, or junked motor vehicle, trailer, water craft, or parts thereof, shall be permitted to be parked on any street, parkway or lot.

Commerical Parking

25. No Lot may be used for parking commercial vehicles having in excess of two-axes or heavy construction equipment, trucks (except pick-up truck), or commercial trailers. The storage of other business related equipment is prohibited except during construction periods. Construction equipment parking must conform to the Hide-A-Way Lake Building Code in effect at the time of construction.

Cutting Dead Trees & Trimming Branches

26. No sod, soil or trees shall be removed from any Lot for any commercial use. Cutting of trees larger than five (5") inches in diameter measured at breast height shall be done only upon written approval of the Club.

A tree permit is not needed to cut limbs or trim shrubbery. If a neighbor's tree has branches that come into your airspace, you are allowed to cut them.

HAWL STRONGLY advises communicating with your neighbor prior to doing so as working together is recommended.

Signs in HAWL

This covenant applies to real estate signs, school signs, political signs, etc.

48. Signage.

All signs, billboards, or advertising structures of any kind are prohibited on all Lots except for the following:

- Hide-A-Way Lake Club may display such sign on Lots owned by the Club, or upon common property as may be necessary to inform Lot Owners of danger, restricted access, activities, events, meetings, or such other purposes as may be authorized by the Board of Directors.
- A sign measuring 8" x 24" inches may be displayed by Lot Owner on his Lot showing the name of the Lot Owner and address of the property.
- In addition, a separate sign measuring 8" x 24" inches may be displayed by Lot Owner on his Lot stating his telephone number.
- No other signs are permitted on Lots within Hide-A-Way Lake Subdivisions, including but not limited to "For Sale" signs.

Security Monthly Recap

RULE VIOLATIONS: November 2025

Traffic Violations	51
Animal Nuisance	10
Common Property	3
Property	3
Incident Reports	80

Fines for citations are based upon the type of offense, such as rate of speed as well as the number of times the specific offense has occurred within a two year time period for the particular offender. Citations are not reported to insurance companies unless the offense is deemed significant enough, such as property damage or bodily injury. **During the months of June and July, all traffic violation fines are doubled.** The goal is to create awareness of roadway safety, not to collect fines.

Gate Entrance/Exit for the Holidays

With the holiday season being a busy time for the Front Main Gate, please **ensure that all guests are pre-registered with the gate before they arrive.** Not to worry, Santa has already been pre-registered. Use the app or the web portal for Gate Sentry to input your visitors into the system BEFORE they arrive at the gate. Please only use the phone call option when the app or web portal is not available to you. Phone calls must be from a phone number registered through the HAWL Office. When calling, only a maximum of two guests may be registered. Calls may only be taken 48 hours in advance. Guest Registration Forms must be used when registering three or more guests. These forms are available on the HAWL website and at the Front Main Gate and the HAWL Office. By not using the app or web portal, the gate becomes very busy and it delays dispatching urgent calls for patrol assistance to owners and causes gate entry delays.

1031

Hosting a Holiday Party?

Having a party for the holidays? Please be mindful of your neighbors in regards to both parking and noise. Pay attention to excessive vehicle parking in the easements as this can create unsafe conditions for drivers and pedestrians. Also be sure to not let the noise get too loud. Per Covenant 51 b. 1. "Loud or boisterous conduct including operation of loud motor bikes, outboard motors, vehicles, boom-boxes, etc., on any property which disturbs the peace of adjoining Lot Owners" is prohibited.

Community Safety Is a Team Effort

The Hide-A-Way Lake community strives to maintain a peaceful and safe environment for all who live and visit here. In order for this atmosphere to be maintained, all property owners and residents must work together in partnership with the Security staff in order to protect, maintain, enhance, and preserve not only the community, but your home value as well.

Roadway safety is a much needed area of improvement community wide. Please be mindful that you are obeying the speed limit, stopping at all stop signs, and making focused driving a priority. By working together, community safety is a goal we can accomplish.

Roadway Safety

Property Owners, please remind your residents and guests to choose safety over speed by abiding by the 25 mile-per-hour speed limit and coming to a full stop at all stop signs as both are enforced.

HAWL Curfew

All juveniles under the age of 18 must be home by the curfew as stated below:

Sunday through Thursday 11:00 pm - 5:00 am
Friday and Saturday 12:00 am - 5:00 am

Scoop the Poop

Pet waste pickup is a basic and non-negotiable aspect of pet ownership. When it comes to pets doing their "business" in the community, it is your responsibility to scoop and dispose of it. Dog waste is more than just gross and unsightly. When pets become sick, pathogens are often times passed through their fecal matter and can easily be picked up by other dogs upon contact. The longer the infected waste stays on the ground, the greater a contamination becomes.

Anyone walking their dog in the community must make sure their pet is healthy and up-to-date on all of their vaccinations. It was recently reported that a dog in HAWL has been diagnosed with parvo. If you pet is sick, please be considerate of your neighbors and keep your pet at home.

When walking your dog in the community, please ensure that you have the necessary supplies to clean up after your pet. Take advantage of the pet waste stations placed in the community at the following locations: the walking path on the dam and both the East and West playgrounds.
