

HAWL MEMORIAL TREE FUND

The Memorial Tree Fund allows for the planting of trees at strategic locations throughout HAWL. Through private contributions of \$35 or more, someone dear can be honored or remembered with a beautiful tree for many years to come. In the case of multiple contributions, more than one tree may be planted.

In addition, with approval of the General Manager, you may purchase and place a small memorial plaque near the tree. The use of a plaque must be approved by the General Manager before installation. The specifications for the plaque are as follows: the plaque (including the back plate with rounded edges for safety) cannot be larger than 4" W x 6" L. The pole size should be 2.5" in diameter and 34" long. The pole needs to have a sign cap so that the plaque can be locked on and the color must be black. The pole (including the plaque) should only be 20" above the ground and 18" below the ground. A picture of an acceptable memorial plaque (with pole) is available at the HAWL Office. HAWL will not be responsible for any damage to the plaque.

Contributions will not only help you take part in keeping HAWL beautiful, but also to remember or honor someone you love and respect.

Thank you for your help in making HAWL a more beautiful community in which to live. To make a contribution, complete the form below.
