- Happy Fall Y'all; October is right around the corner! **This is my favorite time of the year: “cooler” weather, deer season, fall colors, and capital projects for the community.**
- September 30, 2025, was the end of the 2024 - 2025 fiscal year, which began on October 1, 2024. Grantham Poole CPA Firm has been contracted to perform a review of all operations and financials.
- The Water Tower Inspection and washout was completed last month by Stephen's Tank Service. The total cost of the inspection was \$3,500.00. The inspection showed that interior painting is needed in the next four to six years and exterior painting is needed in the next seven to ten years. These jobs will be planned out.
- Replacement street poles were ordered from Brandon Industries. The total capital cost for ten sets was \$2,696.00.
- Surveyor Jeremy Tynes has been hired to survey lots #1339 and #1340 for the water system main lines and valves located on these lots for the water tower area. All information shows these lines and valves are in the easement areas of both properties. No purchase of land is needed.
- “No Wake” buoys for all coves have been delivered from Overton's. All 30 metal signs and poles have been removed from the lake and the buoys have been installed. The total cost of this capital purchase was \$4,622.24.
- This month we will begin cutting in trails on both the east and west sides of the back 120 acres that were purchased. This is going to be a start of the trails in that area. These wooded areas will be a beautiful place to walk and enjoy another section of the community. If you would like to assist with this project, please let me know. Corey Dillard has been hired to assist with trails with a brush cutter at \$1,500 a day. Progress will be monitored.
- Our big project for the year is the “Repaving Roads 2026” project. Bids were opened on September 30, 2025. Five invitations to bid went out and four bids were received for 2.5 miles of roads from the following companies:

Barriere Construction Co., LLC. - \$585,462.00	Gulf Pride - \$640,787.32
Huey P. Stockstill, LLC. - \$577,125.00	Lowe Bros. - No Bid
Warren Paving - \$789,940.00	

Based on our funds available and budget, we worked with Huey P. Stockstill, LLC. to decrease quantities to 2 miles of paving making the bid/cost total to \$501,554.00. The following the locations have been determined that repaving will be needed in the following areas:

HAWL Bridge to Hide-A-Way Ln.	Rabbit Hill
100 W. Lakeshore Dr. to 510 W. Lakeshore Dr.	W. Lakeshore Dr. from Rabbit Hill Ln. to Back Spillway
Flare of Brookhollow Dr. to W. Lakeshore Dr.	Flare of Millbrook Ln. to W. Lakeshore Dr.
Flare of Big Pine Ln. to W. Lakeshore Dr.	Flare of Mockingbird Ln.
211 Hide-A-Way Ln. to 305 Hide-A-Way Ln.	E. Lakeshore Dr. from Edgewood Dr. to 1508 E. Lakeshore Dr.

This project is planned to begin in February 2026. Once more information is available, such as a confirmed start date, we will communicate to the community.

- Requests for road striping bids will go out this month and will follow the paving work.
- In November, the annual Membership update will be mailed to all property owners. Please ensure all information is correct and up-to-date.
- The Owner DEQ Inspection of the dam and spillway was completed last month and was sent to the DEQ. We will clean the spillway and all debris from both the main and valve channels will be removed.
- Effective December 2025, our copier lease with Xerox will expire. We have signed a new lease with Bell Office Machines for 60 months. This will be a savings of approximately \$4,000.00 per year.
- I would like to thank all of the property owners that have come to show support for and learn information about your community by attending a Community Meet and Greet with the General Manager. These meetings are the perfect opportunity to have a conversation regarding community information directly from the General Manager as well as to get to know each other. The next Community Meet and Greet with the General Manager is scheduled for Saturday, November 8, 2025, at 10:00 am in Waters Edge Restaurant. Topics to be addressed depend on the questions brought forward from Property Owners. In addition to these meetings, my door is always open to you. I encourage your suggestions and/or concerns regarding the improvement of the community. Community members working together is essential to protect, maintain, enhance, and preserve not only the community but your home as well.

Hide-A-Way Lake Club, Inc.

A Board Meeting for Hide-A-Way Lake Club, Inc. was held on Tuesday, October 14, 2025. The next Board Meeting is Tuesday, November 11, 2025, at 6:30 pm. Full copies of the minutes from Board Meetings are on HAWL's website (hawlms.com) under the Board of Directors tab. The Manager's Report is included in the minutes.

Architectural/Variance - Jim Wells

For September 2025, the number of houses to date is 1,001. The Architectural Committee approved the following: 1 addition, 2 fences (1 chain link, 1 split rail), 1 generator, 1 house, 1 propane tank, and 1 slab.

Finance Committee Report - Chad Hurst

The Treasure's Report had a grand total of \$672,034.72.

Security, Safety, & Fire Committee Report - Kathy Busco

All metal "No Wake" signs in the lake have been removed and have been replaced with "No Wake" buoys. Lake rules are currently being reviewed to ensure safety on the lake for everyone. Traffic enforcement remains a constant focus. Please remind your residents and guests of the speed limit and to obey all traffic rules. Road stripping will be taking place soon in conjunction with repaving the roadways in the new year.

Lake Quality - Joe Battaglia

The Lake Quality Committee's schedule for water tests will change in the fall and winter. Therefore, water samples were collected from only two locations on October 6, 2025. Test results of one sample (lake inlet) were inconclusive. Test results of the sample (outlet) were within the Mississippi Standard for Recreational Waters.

Rainfall for the month of September was measured at 0.81 inches, which was 3.90 inches below the thirty-year September average of 4.71 inches. Rainfall-to-date was 43.26 inches which was 7.83 inches below the thirty year-to-date September average of 51.09 inches.

Great news to report: Recent tests for PCB's and heavy metals in bass and catfish show that our fish tested well below the standard concentrations for the environmental contaminants.

Social Committee - Margaret Muller

The committee has several fun events planned for October. The Brunch, Bingo, and Boutique will be held on Wednesday, October 15, 2025. On Sunday, October 19, 2025, there will be a paint party at the Lodge from 3:00 pm – 5:00 pm. Bring the family for the Trunk-or-Treat and Family Movie Night featuring Hocus Pocus on Saturday, October 25, 2025. The restaurant will be serving a special menu to enjoy while participating in the evening's activities. If you wish to donate candy for this event, please bring it to the HAWL Office. Contact the HAWL Office for more information on these fun events.

Becoming Involved in Your Community

As a property owner, one of the easiest and most effective ways to become involved in the community is getting to know your neighbors. This not only builds a sense of community but helps make your neighborhood a more enjoyable place to live. Another easy way is to actively maintain your home and property. Removing debris and clutter from the yard enhances curb appeal. Trimming dead limbs not only looks better, but prevents safety concerns during storms. Promoting roadway safety with your residents ensures that everyone on the roadways is able to get their destination and enjoy the community safely. HAWL as a community operates most efficiently when property owners work together toward a common goal. 1162

Traffic Violations	64
Property	5
Common Property	4
Lake/Boat Violations	2
Animal Nuisance	2

Fines for citations are based upon the type of offense, such as rate of speed as well as the number of times the specific offense has occurred within a two year time period for the particular offender. Citations are not reported to insurance companies unless the offense is deemed significant enough, such as property damage or bodily injury. **During the months of June and July, all traffic violation fines are doubled.** The goal is to create awareness of roadway safety, not to collect fines.

Check Your Smoke Alarms

Be sure to change your smoke alarm batteries when you change your clocks for Daylight Saving Time. (This year it falls on Sunday, November 2nd.) Ensure that alarms are placed in every bedroom, outside of every interior door, and on every floor of your home. Fires spread quickly, and working alarms provide the vital time needed to escape by providing early warnings during a fire.
