Fall Fun at the Lodge

Rescheduled

Rescheduled to Saturday, October 24, 2026, join the HAWL Social Committee for two family friendly events at the Lodge. Rain date (for Festival and Movie Night) will be on Saturday, November 14, 2026.

HAWL Fall Festival

Enjoy games, trunk-or-treat, and Touch a Truck with classic cars and utility vehicles from 9:00 am - 11:30 am for elementary school age children in the Lodge parking lot. Costumes are highly encouraged.

If you would like to participate in this event by setting up/hosting games, handing out candy from your vehicle/golf cart, or letting kids see your work vehicle or classic car up close, contact the HAWL Office.

Participants are responsible for providing their own games, individually wrapped candy or treats, tables, decorations, etc. Set up begins at 8:00 am.

If you wish to donate candy for this event, bring it to the HAWL Office before October 23, 2026.

Family Dinner Night

Waters Edge will host Family Dinner Night from 4:00 pm - 8:00 pm. With the purchase of an adult entrée, **kids 13 years and younger eat free from the Kids Menu.** Along with the full menu, family friendly specials will be offered. In addition to dinner, movies will be on in the Lakeview Room as well as coloring sheets and table games for families to enjoy. Reservations are requested and can be made by calling the HAWL Office.

Family Movie Night

Gather the family to watch Hocus Pocus at 6:30 pm on the beach. Bring your beach blankets and chairs, coolers, and snacks. Free popcorn will be provided.

More Upcoming Events

See page 8 of this *Echoes* for information about the fun upcoming events in HAWL. Mark your calendar for the Great Fall Rummage Sale, Veterans Appreciation Lunch, Veterans Day Flag Raising, Snow Crabs, BBQ Dinner Night, Oyster Night, and Thanksgiving!

Fishing Rodeo

Saturday, October 17, 2026

Dusk (October 16th) - 12:00 pm (October 17th)

The Fishing Rodeo will begin at dusk October 16th and end at noon October 17th. Pick up a map of fishing habitat locations at the Lodge, HAWL website, or East Marina Pavilion (when scales are open) to locate fishing spots. Weigh-in will be at the East Marina Pavilion by the Lodge. The scales open at 9:00 am and close at noon.

Awards will be presented at 12:30 pm. There will be only one weigh-in per fisherman; all fish must be caught by hook and line. There will be four fish categories (bass, bream/bluegill, crappie, and catfish).

Note changes in age groups: 10 and under, 11 - 18, and 19 and older. 1st, 2nd, & 3rd place prizes for the largest total weight of fish will be awarded in all age groups in each fish category. (Entry limit for bass, bream/bluegill, and crappie is up to five fish. Unlimited catfish may be entered.) A separate trophy open to all age groups will be presented for Largest Bass. There is no need to register for this FREE Rodeo. For more information, call the Office at 601-798-1484. **No skiing or tubing will be allowed on the lake during the fishing rodeo.**

Handicap Parking at the Lodge

The Lodge offers six handicap parking spaces located at the Lodge Lower Level. To access these spaces, simply take the road near the tennis courts. If special assistance is needed, call the HAWL Office (601-798-1484) before arriving and an Office staff member will meet you in the parking lot.

Need Something Copied or Notarized?

Skip the drive into town and let the HAWL Office be of service. Please ensure that you do not sign any documents to be notarized until you are in front of the notary. If you have any questions or want to ensure the notary is available, call the HAWL Office at 601-798-1484.

Donate Your Claiborne Hill Receipts

As a way of supporting our Fire Department, HAWL has a donation box in the Lodge to collect Claiborne Hill receipts. A portion of the proceeds from the receipts is generously donated by Claiborne Hill to our Fire Department. Receipts may also be placed in an envelope and dropped off at the payment box at the Front Gate or at the Lodge.

Avoid Late Fees - Pay Your Bill Online with ACH

Did you know that when you request Online Bill Pay from your bank, they send HAWL a physical check? Avoid the possibility of the check arriving late or getting lost in the mail by signing up with HAWL for online payments. You must first complete and return an ACH Authorization Form either from the HAWL website by clicking on the "forms" tab or the HAWL Office.

Visit hawls.com for Community Information

Hawls.com is frequently updated with information about community operations and upcoming events. Links to register a visitor in Gate Sentry and to pay your bill online (after signing up through the HAWL Office) can also be found.

October is the beginning of my favorite time of year: deer season, cooler weather, fall colors, football, and capital improvements for our community. October 1st is the beginning of our fiscal year as well as operational and capital budgets.

The stable area is being reviewed and an update will be communicated this month.

Both pools' renovations with Gulf Coast Pool, LLC will begin this month. Both pools will receive new quartz replaster, completely new plumbing, new coping and tile replacement, new underwater light fixtures, and new wiring. All concrete will be refinished with sprayed cool deck. Diving board stands will be refurbished with new boards and adding a new mushroom water feature and pump for kiddie pool. The total contract is for \$372,155.64. Work is scheduled to begin in October of this year. This has been in works since November of last year. Thanks to our Finance Committee, the Board of Directors, and the HAWL staff.

Update on damages from Tropical Storm Arthur are as follows:

- Fire hydrants on Peninsula Dr. and East Lakeshore Dr. were repaired with parts from Ferguson Waterworks for a cost of \$1,134.08.
- Spillway/West Side road washouts were repaired. Washouts on the East Side will be done next month. The concrete from Huey Stockstill cost \$5,935.30. Dirt from MTS Hauling cost \$2,260.00.
- Sandbar by East side of the horseshoe and clean up of Robin Cove was completed by contractor Joey Aucoin for the total cost of \$4,000.00.

Four replacement radios were purchased from Bearcom for the Maintenance and Security departments for the total cost of \$3,228.82.

The owner inspection of the dam and spillway was completed on August 20, 2026, for the Mississippi Department of Environmental Quality (MDEQ) before the September 30, 2026, deadline. The inspection showed good results.

The final Band on the Beach event was Saturday, September 5, 2026, featuring Autumn Ris-N and was sponsored by the Scholarship Foundation for Hide-A-Way Lake Students. Two successful Band of the Beach events took place previously this summer and were greatly enjoyed by property owners. Runaway Train performed on May 23, 2026, and was sponsored by Hide-A-Way Lake Club, Inc. Dead End performed on July 3, 2026, and was sponsored by The Jensen Companies.

This month Coast Electric will begin cutting limbs away from powerlines. We are thankful for their preventive maintenance.

The Lead and Copper tests were completed last month from ten homes in the community. All results were great and were sent to the homeowners who participated.

All water wells (#2, #3, and #4) are scheduled for a pump test with Griner Drilling Service, Inc. This is required every two years.

A replacement fryer was purchased for the kitchen from Singer for \$1,175.93.

Our Security Department is a valuable asset to our community and continues to do a good job in partnership with us. Please thank them for enforcing our family environment. I COULD NOT IMAGINE the negative impact of not having Security in all areas that you enjoy. Their job is to protect and to control access to the community. So yes, that means citations are written, but needed. If you are issued a citation, please follow the guidelines with the HAWL Office of paying, appealing, voicing your concerns, etc. Please do not discuss the citation or take your frustration out on the Security Officer; that aspect is not in their scope of duties. It still amazes me when I watch footage of a citation how rude individuals can be when swearing at officers, threatening bodily harm and their job, and much worse. Take a moment to consider how that type of behavior reflects on you as an individual. Please support the officers as they are working hard to help take care of this community and to enforce the rules put in place by you the property owners. The majority of our property owners are very happy with the Security Department but remember, it takes everyone working together to protect this community.

I would like to thank all of the property owners that have come to show support for and learn information about your community by attending a Community, Coffee, and Cake. In addition to these meetings, my door is always open to you. I encourage your suggestions and/or concerns regarding the improvement of the community. Community members working together is essential to protect, maintain, enhance, and preserve not only the community but your home as well.

A Board Meeting for Hide-A-Way Lake Club, Inc. was held on Wednesday, September 9, 2026. **The next Board Meeting is Wednesday, October 14, 2026, at 6:30 pm.** Full copies of the minutes from Board Meetings are on HAWL's website (hawlms.com) under the Board of Directors tab. The Manager's Report is included in the minutes.

Architectural/Variance - Jim Wells

For August 2026, the number of houses to date is 1,010. The Architectural Committee approved the following: 1 bulkhead, 2 houses, 1 patio, 1 pool house, and 1 set of walkways.

Finance Committee Report - Chad Hurst

The Treasure's Report had a grand total of \$506,271.09.

Security, Safety, & Fire Committee - Kathy Busco

At the committee's meeting last month, locations of stops signs were discussed. Several locations are under review by the General Manager in regards to moving the signs or painting "STOP" on the street to better emphasize their location. Security will also be handing out flyers to vendors to remind them of HAWL's traffic regulations.

Lake Quality - Joe Battaglia

Water samples were collected from four locations on September 7, 2026. Test results of all samples were within the Mississippi Standard for Recreational Waters.

Rainfall for the month of August 2026 was measured at 3.47 inches which was 2.69 inches below the thirty-year August average of 6.16 inches. Rainfall to-date was 54.69 inches which was 8.09 inches above the thirty year-to-date August average of 46.60 inches.

The initial trip of our converted pontoon boat to utility barge was successful for the transport and installation of fish habitat materials. Pushed by our security boat, the barge was easy to control and maneuver. The unobstructed flat deck provided improved safety for personnel to load and install habitat units in the lake. Sixty-eight assorted habitat structures of Christmas trees, flex pipe and PVC material were distributed among four habitat sites located in Eagle Cove, the Horseshoe area, and Cardinal Cove.

The Lake Quality Fishing Rodeo is scheduled for October 17, 2026. For your attention the regular age categories will change as follows: 10 and under; 11 to 18; and 19 and older. Please see the September *Echoes* for complete details of the rodeo. NOTE: Several years have passed since we held a fishing rodeo in the Fall. So join us, invite a friend, and enjoy Autumn fishing at our beautiful Hide-A-Way Lake...See You There!

Long Range Planning - Robin Montalbano

The pool renovation project is set to begin the first week of October. Samples of the materials to be used are in the HAWL Office.

The first Community, Coffee, and Cake, which is a town hall style meeting, will be held on Saturday, September 26, 2026. The goal is to have this type of meeting quarterly.

Social Committee - Margaret Muller

The committee will meet again next week. Events will pick up again in October with the BBB on Wednesday, October 14, 2026, and the kid friendly Fall Festival and Family Movie Night on Saturday, October 24, 2026. The committee is busy planning to decorate the Lodge in December and to host Breakfast with Santa. Contact the HAWL Office or see the monthly *Echoes* for more information on these events.

Public Affairs - John Pigott

Pearl River County has been discussing the purchase and use of Flock cameras. The November ballot will feature a liquor measure that has been discussed lately. There was recently a meeting regarding the plans for a road to be constructed on the east side of the interstate between exit 4 and exit 6. Lastly, Picayune now has a new Police Chief and Assistant Police Chief.

Security Monthly Recap

RULE VIOLATIONS: August 2026

Traffic Violations	101
Property	3
Animal Nuisance	2
Common Property	2
Lake Violations	2
Theft/Vandalism/Malicious Mischief	2
Incident Reports	183

Fines for citations are based upon the type of offense, such as rate of speed as well as the number of times the specific offense has occurred within a two year time period for the particular offender. Citations are not reported to insurance companies unless the offense is deemed significant enough, such as property damage or bodily injury. **During the months of June and July, all traffic violation fines are doubled.** The goal is to create awareness of roadway safety, not to collect fines.

Parking for Lawncare, Contractors, and Service Providers

For your safety and the safety of others, please park in driveways and/or off of the roadways. If temporary parking in the roadway is necessary, please place bright orange cones no less than 20' from your location in the front and rear of your vehicle. **NEVER** park in curves or within 100' of an intersection.

Gate Entrance/Exit on Halloween

With Halloween being a busy evening for the Front Main Gate, it is important to **ensure that all guests are pre-registered with the gate before they arrive**, whether travelling by car or broomstick. Please use the app or the web portal for Gate Sentry to input your visitors into the system BEFORE they arrive at the gate. Please only use the phone call option when the app or web portal is not available to you. Phone calls must be from a phone number registered through the HAWL Office. When calling, only a maximum of two guests may be registered. Calls may only be taken 48 hours in advance. Guest Registration Forms must be used when registering three or more guests. These forms are available on the HAWL website, the Front Main Gate, and the HAWL Office. By not using the app or web portal, the gate becomes very busy and it delays dispatching urgent calls for patrol assistance to owners and causes gate entry delays. The Office staff is available to help all owners with the app and web portal or inputting visitors into the system. Please call the HAWL Office at 601-798-1484 so we may assist you.

Incident Reports

HAWL Security wears many hats. Not only do they manage entrance into HAWL and control roadway safety, they also assist property owners with day-to-day issues. In the Security Monthly Recap, Security Incident Reports are logged. These reports cover all facets of Security's duties. For instance, some of the incidents above represent the times when Security notified residents that their vehicle lights were left on so they did not drain their battery. Other reports are for when Security contacted the Utility Authority on behalf of property owners who were out of town. Thank You to Security for being a vital part of our community!

HAWL Car Decals

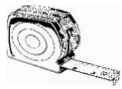

The decal and automatic tag are a numbered set and both the tag and decal must be displayed on the vehicle to which they are registered. The decal set is the property of HAWL Club, Inc. and is nontransferable for any reason. Hide-A-Way Lake is authorized to verify any information submitted and if any false statement is made or if the tag is placed on any vehicle other than the registered vehicle, the Property Owner will lose the automatic gate privilege to enter the community and will pay an administrative fine.

Community Safety Is a Team Effort

The Hide-A-Way Lake community strives to maintain a peaceful and safe environment for all who live and visit here. In order for this atmosphere to be maintained, all property owners and residents must work together in partnership with the Security staff in order to protect, maintain, enhance, and preserve not only the community, but your home value as well.

Roadway safety is a much needed area of improvement community wide. Please be mindful that you are obeying the speed limit, stopping at all stop signs, and making focused driving a priority. By working together, community safety is a goal we can accomplish.

Architectural Monthly Recap

Information as of September 30, 2026

Active Building Permits..... 21
 Covenant Violations 20
Nothing shall be erected on any lot without an approved building permit in writing by the HAWL Office.

ALL permit applications must have the following:

- Site/plot plan showing all existing and requested improvements
- Set of building plans to code
- Specification of materials

Permit requests are reviewed by the Architectural Committee on the 2nd and 4th Thursday of each month. **Please ensure that all permit application requests are completed with all supporting documents attached the Monday before the scheduled meeting by noon.**

Issue With Your Sewer System?

Should an issue arise with your sewer system (such as your sewer alarm sounding), contact the PRCUA (**601-799-5259** or **228-205-4101** for after hours emergencies). The PRCUA would like to remind residents they are on-call 24/7 to resolve grinder pump issues. It is important to notify the PRCUA as quickly as possible when your system goes in alarm mode to prevent overflows, restore service, and minimize the chance of destroying a locked pump. This number should be called prior to contacting a plumber since most issues can be handled by the PRCUA at no cost to the property owner. The number is in service 24 hours a day/7 days a week.
