Waters Edge Policies

- HAWL proudly boasts a family environment. Hide-A-Way Lake Club, Inc. reserves the right to deny, cancel, or terminate the event if it does not reflect a family friendly environment.
- Only members and their guests may use our facilities. The member assumes full responsibility for payment of goods or services provided to the guest. Damage to Club property occurring during special functions is the responsibility of the member.
- The property owner is responsible for the actions of their guest(s) at all times while in the community.
- A printed, alphabetized list of all guests must be given to Security and the Restaurant Manager at least 24 hours prior the event. Any guest not on the list may have difficulty entering the community.
- All goods and services are priced on present costs and therefore are subject to change without notice. Once a confirmed price with party agreements has been specified with a signed contract, prices will not be changed. The prices quoted do not include room rental, tax, or gratuity.
- 15% gratuity and 7% sales tax will be added to the total price of food and beverages, but not to the room rental.
- All room rentals include your choice of white or black table skirts, equipment, and serving staff. Prices quoted are for three hours. After the initial three hours, each additional hour is \$150.00. Any deviation from the agreed upon time in the contract will result in an additional charge.
- Room rental pricing does not include catering of the food.
- At the time of reservation, a deposit of \$300.00 is required to hold the date. The deposit will not be refunded if the event is cancelled.
- Payment must be made in full one week prior to the event date. You will be charged for the number of guests you agree to on the contract unless there are additional guests which attend who were not included in the original contract. At the end of the event, a final headcount of guests will be confirmed by restaurant management and the event host in order to verify the number of guests in attendance. Should the guests in attendance exceed the number of guests previously agreed upon, payment for the additional guests is required in full the day of the event; if not, the outstanding balance will be charged to the sponsoring property owner's account.

Frequently Asked Questions

Do I have to be a Hide-A-Way Lake property owner to book an event?

Non-property owners must be sponsored by a current HAWL property owner who is in good standing. The property owner must also sign the Special Event Agreement with the Restaurant Manager. Corporate events may work directly with the Restaurant Manager to book events.

How far in advance may I book my event?

Successful events take time and planning; the more time, the better.

What types of event can I host at Waters Edge?

Waters Edge can host events ranging from a small business lunch to a large wedding with reception. The Lodge has hosted birthdays, family reunions, cooperate meetings, charity and fundraising events, among other occasions. With the proper planning and communication, no event is too big or too small.

May I decorate the Lodge for my event?

You are encouraged to decorate the event space to provide a personal touch to your event. Arrangements to have individuals come in to decorate the space will be made with the Restaurant Manager with attention to the regular restaurant operating hours. No nails, tape, staples, tacks, or any other type of anchor will be allowed to be attached to the walls, ceilings, windows, etc.

Am I permitted to bring a cake or special dessert for my event?

No food may be brought into the Club from outside sources, with the exception of a wedding cake or other special dessert such as a birthday cake.

I'm ready to book my event. What's the next step?
